Next meeting: November 1 at 6PM

Discussions:

Boosterthon: Allison: How is marketing coming along? Katie: not sure yet, will talk about this Thursday meeting. Allison: Our goal is \$25000 for touchscreen smart panels. Goal is to have all families registered on Oct 12. Stickers will be used to count laps. Have 6 sponsors for Boosterthon. Chris: Marketing boxes arrived, will check contents; will send ConnectEd, update FB, website on Thursday 10/7.

County Update: Chris: Friday will review again. Currently, only essential visitors allowed, parents cannot be in same place as children. Ok to have PTO meeting at school. Same applies for outside during school now. Will need to check in all parents due to COVID contact screenings.

Budget: Becky: Revenue \$3700 from spirit wear sales, family nights, Harris Teeter donations and Boosterthon sponsorships. We have expenses that need to be accounted for and need to keep our belts tight.

Spirit Wear: Nora: Have some items in the store and most partial items, lots of old Boosterthon shirts. Brittney: Online store Bonfire we raised \$840. We can continue to order on demand, can open store again. Chris: Can we give teachers discount? Brittney: We can order as a bulk item/pre-sale. Becky: We can cut checks after too. Katie: Would prefer pre-order, ASAP ordering, would like to have to use now. Andrew: Make it a short window to order, from 3 – 5 days now and then 2 week run before Christmas. Brittney: Will send document to teachers this week.

Volunteer/Fundraising: Allison: We are still in holding pattern because parents not allowed in school. Brittney: Honey baked ham, candy grams, book fair, hold off on Mistletoe Madness and do Spring Fling silent auction.

Candy Gram: Allison: Can we do Candy-grams if prepackaged and delivered to school? Chris: Ok. Allison: We will discuss more details next meeting for specifics.

School Supplies: Allison: Opinions and reorder for next school year? Katie: Usually these are pretty good and have all supplies. During summer many supplies were sold out at stores. Allison: need lists from grades; will let company know we will setup for next year and move forward.

Staff recognition: Chris: Would love for us to do something for teachers; possibly once a month low-cost item, next month higher cost item. Cookies, ice cream, community donation/sponsorships. Monthly single recognition? Andrew: Church is donating snacks for breakroom. Allison: Will send a request out to get favorites (drink/snack). Becky: QR code to have parents donate funds to support. Brittney: donate to Venmo, send teachers code to use at Starbucks or Chick-Fil-A, if funds are low, we can reload. Add QR to Instagram.

Other/questions: Betheny: How can we send in items or support teachers? Chris: All parties on hold, but items can come in pre-wrapped individually.
