Discussions:

Boosterthon: Allison: Thank you to all!! Total received \$68399, will need to send half back to Boosterthon for their fee. 79% registration pledges. Normally 67% donate that register. Corporate matches are \$4600 eligible. Will reach out to finalize. Valerie: Everything went smoothly. Andrew: Boosterthon made a lot of money from us. Chris: seamless program, but could we do this ourselves? Brittney: We should poll Admin and Teachers. Becky: Boosterthon is a wrapped package. Brittney: Looked at other campaigns like 99 pledges, we keep 90 %. RaizeCraze builds character and acts of kindness. Possibly kindness Carnival? We could give prizes. Sponsorships paid for t-shirts this year. Voted to research.

Budget: Becky: Started with \$18000, now have \$81500 in bank; will need to send Boosterthon check. November we will have Teacher Thanksgiving lunch, PTO insurance, Website fee, waiting on invoice for smart boards. Chris: Will follow up, boards are on back order, maybe we can order new boards?

Fundraising/Revenue: Brittney: Honeybaked Ham, place orders now, link in November newsletter; will earn 20% of proceeds. Texas Roadhouse will be 11/4 and 12/2.

Candy Grams: December oked by Chris S.

Spirit Wear: Brittney: working on link for teachers to place order. PTO will purchase bulk order so we can reduce price for teachers. Will need to send Check/Cash/Venmo.
